

ANNUAL SCHOOL REPORT (2025-26)

"Learning is not the product of teaching. Learning is the product of the activity of learners"

We thank the Almighty God for all the blessings bestowed upon us year after year, especially during the **academic year 2025-26**.

Indian Public School has been stepping from success to success all through the years since its humble beginning in 2005 and the past year has been no exception. We have done excellently in academics and non-academic areas. At this juncture, I wish to put on record my sincere gratitude to the management, staff, students and the PTA for your kind support and guidance.

With great pleasure, I present in a nutshell the highlights of the past academic year 2025-26 as follows:

Academic Excellence:

The system of education in our school, as you all know, is a blend of theory and practice in the right proportion to arrive at a comprehensive curriculum.

Teacher Enhancement Programs:

"It's the teacher that makes the change, not the mere classroom".

Our committed staff is always eager to learn and accept the recent trends in education and ensure maximum learning outcomes in the teaching-learning process.

We believe in equipping teachers to prepare the students for the future and to update their knowledge. So the school is following the CBSE norms for teachers' Capacity Building Program every year. In this session, even our school got the opportunity to host a CBSE CBP and except this, teachers completed their Inhouse training of 25 hours too. It definitely helped our teachers to learn the new pedagogies and activities as per NEP.

Regular staff meetings are conducted to evaluate our quality of performance and plan for the future with more innovative methods of teaching and learning programs.

Examinations :

Periodical assessments and evaluations are conducted for the students and their progress are informed to the parents frequently. Subject enrichment activities are done by the students and teachers evaluate these as the internal assessment. Hands on practices are an integral part of our school education system.

Co-curricular Activities and Celebrations :

Our School not only focuses upon the intellectual development of our future generation, but also takes care of their emotional and behavioral development in their early ages of development by inculcating sound moral values, responsibility and social awareness. We are doing it through different co-curricular activities and school celebrations.

Students participated in different activities like dance, music, art and craft, self management, sports, Yoga, recitation, speech competition. etc. Parents also got the chance to spend a quality time with their wards through these activities.

Workshops and Seminars:

- ❖ 2 sessions on Career guidance and counseling were held in school in January month.
- ❖ A dental check up for personal hygiene was conducted by doctors for girls and boys separately.
- ❖ As per today's demand, our school organized a workshop an online program on AI for our students.

We express our heartfelt gratitude to all our students, parents, well wishers and patrons of our school whose constant support and guidance has helped to maintain high standard of education and discipline in our school. We take this opportunity to commit ourselves to do our best to serve this locality through quality education. We would like to extend our special thanks to all the parents, who were always there to follow us.
